Subject: Request for Extension to Division Directive, Star Stone Quarries, Torrey Sandstone Quarry, S/055/016, Wayne County, Utah

Dear Mr. Thomas:

On June 3, 2003, the Division received your request for additional time to respond to our April 14, 2003, Division Directive. You indicated you had suspended mining as directed but that you were not able to provide a bond because your financial records were being audited. You also said you would notify the Division when the audit was completed.

Although we have not received notification that the audit has been completed, there has been ample time since we received your letter to finish this work. You are hereby given 30 days from receipt of this letter (by April 30, 2004) to file an interim reclamation bond and submit a Notice of Intention to Commence Large Mining Operations as required in the Division Directive. If you do not comply with these requirements, the Division will issue a Notice of Noncompliance.

If you have any questions about the requirements of the Division Directive or about this letter, please feel free to call me at 801-538-5286 or Paul Baker at 801-538-5261.

Sincerely,

D. Wayne Hedberg, Permit Supervisor  
Minerals Regulatory Program
